WHAT IS DOG TREAT?

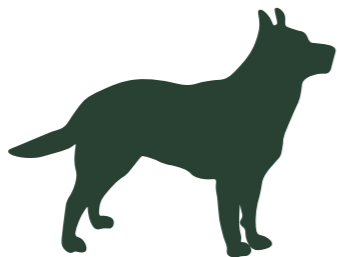

Active and working dogs have different nutritional needs from other dogs. Easily digestible food is important to good active dog health.

DOG TREAT dry dog food is packed with high quality and natural ingredients that will help keep your dog healthy and full of life. With a high energy and fat content, it is designed to provide all the calories needed to keep up the energy levels of even the most highly active dogs. In addition to the high vitamins and minerals content, the food contains a lot of flavor that makes each piece enjoyfull and yummy.

10 - 20 kilograms

Portion: 150 - 250g

25 - 35 kilograms

Portion: 275 - 365g

40 - 50 kilograms

Portion: 420 - 495g

RECOMMENDED DAILY PORTION

Follow the recommended daily portions for your dog to keep your best friend healthy and well fed. The portions might vary a lot according to your dog's temperament, age and physical activity level. Always be sure to check with your veterinarian if you have any questions about the nutrition or your dog's health. Below are some helpful tips:

-  Adjust feeding amounts as necessary to maintain optimal weight. If you are unsure, ask your veterinarian.
-  Keep fresh water available at all times!
