

## TASTY FOOD FOR ACTIVE DOGS

Active and working dogs have different nutritional needs from other dogs. Easily digestible food is important to good active dog health.

With a high energy and fat content, it is designed to provide all the calories needed to keep up the energy levels of even the most highly active dogs. In addition to the high vitamins and minerals content, the food contains a lot of flavor that makes each piece enjoyable and yummy.

## FRESH IN EVERY BITE

- contains 50% fresh natural meat
- omega 3 premium fish oil
- for all dog breeds and sizes
- helps maintain bones and teeth

50% main ingredients

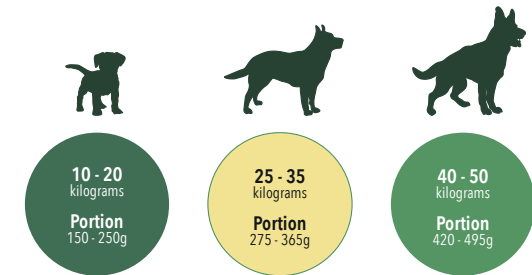

25% vitamins & minerals

13% moisture

11% fatty acids

**DOG TREAT** dry dog food is packed with high quality and natural ingredients that will help keep your dog healthy and full of life.

## RECOMMENDED DAILY PORTION

Follow the recommended daily portions for your dog to keep your best friend healthy and well fed. The portions might vary a lot according to your dogs temperament, age and physical activity level. Always be sure to check with your veterinarian if you have any questions about the nutrition or your dogs health.
